We Must Take a Mulligan

Due to unforeseen circumstances, the Swing for a Cause event is rescheduled to May 2024.

What does this mean for you?

- If you have already registered either for a team or a single entry: your entry is good for the May 2024 event.
- If you are a sponsor connected to this event: your support contributes to the collective missions of the benefactors of this event. We will continue to provide the agreed-upon recognition that corresponds with your sponsorship level of support.
- For those who would like a return of funds: We ask that you please contact Allison Chapman directly, [development@pivotpointwnc.com](mailto:development@pivotpointwnc.com), and we will address each request in turn.

We appreciate your understanding and support. Look forward to seeing you on the fairway in May 2024.

In service,

*Matthew B. Nannis*
